Recyclable Aluminum Cups to Headline Sylvania Concerts

April 18, 2022, Kripke Enterprises, Inc. (KEI) headquartered in Toledo Ohio is thrilled to announce the continuation of our partnership with Sylvania Recreation and new partnership with Red Bird Sylvania. Kripke Enterprises, Toledo's premier metal recycling facility, will provide Ball Corporations infinitely recyclable aluminum cups for all public events during the 2022 season at Centennial Terrace and Local Fest 2022.

Centennial Terrace, located in Sylvania, Ohio starts their summer event schedule May 27th. "Last year was fantastic!" exclaimed Mark McMahon operations manager at Sylvania Recreation. "The cups check all the boxes, they look great, they are easy to recycle and keep your drinks colder longer" McMahon continued. Aluminum is one of the most recycled and most recyclable materials on earth. "As members of the recycling industry, it's important we help however we can" says Andy Golding, Chief Strategy Officer at KEI. "We love being a member of this community and want to help spread recycling awareness." Golding stated.

Red Bird Sylvania, located in Sylvania, Ohio hosts both Local Fest 2022 celebrations in June and September in downtown Sylvania. "Red Bird Sylvania is thrilled to be partnering with Kripke Enterprises to serve local craft beer in 100% recyclable aluminum cups at our June and September Local Fests in downtown Sylvania" stated Katie Cappellini with Red Bird Sylvania. "It's always exciting to have a new partnership and hope to see more of Sylvania recycling at Kripke" Andy Golding noted.

Aluminum Cup Facts:

- Aluminum cups can be recycled and back to you as quick as 60 days.
- Only 25% of waste is recycled
- Ohio recycles only 16% of Aluminum cans

Founded in 1993, Kripke Enterprises Inc. is Headquartered in Sylvania Township, at 8201 W Central Ave. KEI continues to grow with over \$200,000,000 per year in annual revenue.
